25X1

OGI analysts briefed Treasury Department General Counsel Kimmit on Libya's use of the international banking system to support terrorism.

NESA completed a paper for the NSC, State, and DoD on Moroccan King Hassan's upcoming visit to Washington. At the request of NSC, NESA also prepared an assessment of Libyan activities and objectives in Sudan.

NESA briefed Commerce Deputy Assistant Secretary for Near East/Africa/South Asia on economic and technology transfer issues in South Asia.

OEA briefed Adm. Ted Lewin, new commander of Subic Naval Base, on economic, political, and military developments in the Philippines.

OEA analysts discussed US-China relations with Brig. Gen. Reynolds, the new military attache to Beijing.

D/SOVA and several SOVA officers discussed the size of the operational SS-20 force with Dr. Fred Ikle, Under Secretary of Defense for Policy.

Several SOVA managers met with Stephen R. Sestanovich of the NSC staff to discuss policy support needs.

25X1

OSWR briefed Ambassador Richard Kennedy on the Chernobyl nuclear accident.

OSWR briefed Vince DeCain, Deputy Assistant Secretary of Commerce, on the status of the Pakistan and India memoranda of understanding, in preparation for his upcoming visits to those countries. OSWR also briefed the new Commerce representative to Bern on the Soviet technology acquisition program and technology diversions in Central Europe.

OSWR briefed Maj. Gen. George Krausz, Director of Combat Developments, US Army Training and Doctrine Command, and Dr. Marvin Pastel, Science Advisor to Commander TRADOC, on Soviet ground forces weapons development over the last decade, and on

25X1

Soviet countermeasures to US precision guided munitions. OSWR also briefed the US Marine Corps Director of Combat Developments, Brig. Gen. Milligan, and his staff on Soviet responses to US developmental top-attack antiarmor programs, and selected Soviet armor upgrades.

25X1

Administrative and Personnel Matters

Starting Monday, 30 June, OIR will provide coverage of the Senate on Channel 6 of the cable grid system.

Other

NESA briefed Gen. Lawrence, the National Defense University President, on the security situation in Lebanon and its implications for the United States.

A EURA analyst participated in a roundtable at the State Department with visiting Yugoslav economists, who candidly discussed their country's economic plight.

SOVA analysts met with Ed Hewett of the Brookings Institute to discuss SOVA's methodologies for calculating Soviet labor productivity. Analysts also visited the Virginia Polytechnic Institute to discuss possible approaches to measuring this productivity.

Among visitors escorted by OIR's curator of the Historical Intelligence Collection to the Donovan World War I exhibit were a delegation from the National Archives; a delegation from Marine Corps Headquarters, including Brig. Gen. Breth, Director, Division of Intelligence, and Brig. Gen. Simmons, Director, History and Museums; the grandson and granddaughter of William J. Donovan; and three members of the Washington office of Donovan's law firm.

Briefings on the Hill

There were 15 briefings on the Hill this past week.

ALA briefed Senator Bradley on the economic and political situation in Mexico.

ALA, along with DoD and State representatives, gave testimony on developments in southern Africa before the SSCI.

NESA briefed Senator Gary Hart on Syrian-Iraqi talks and the military situation in the Middle East. The briefing was in preparation for his upcoming trip to Egypt, Israel, and Jordan.

25X1

NESA briefed HPSCI members due to travel to Saudi Arabia and Pakistan.

NESA briefed Congressmen Stump, Cheney, and Daniel, and staffers of the HPSCI on trends and developments in Pakistan and Afghanistan.

25X1
